General Report Comments: I have been to this property.
It belong to her late parents she is trying to sell the house.
Last time I spoke to her she told me that she is hoping that problem will be solve by the end of this year.
She doesn't stay in that property but she feeds the dog every day.
The lump above the eye it appears that is getting bigger and starting to lacerate. So it needs to be checked by the veterinarian.

ACTIONS

Warning Issued 6030
