General Report Comments: Upon arrival i met Velen and i told him i need to do an inspection before i hand out food .

He granted me access to the property. The dog in question is named Dre. The dog was observed roaming freely on property and appears to be in a good condition. The dog has access to water and the kennel is broken. There are hazardous objects that are causing obstruction.

- I issued a notice to comply
1. Provide adequate kennel or fix the broken kennel within 7 days so Dre can be protected from weather elements.
 2. Remove hazardous objects that are causing obstruction within 7 days.
