General Report Comments: Kerrie and I went to the property because Bianca fom 32 Wortmann road gave us a complaint about an old dog that is batlling with walking.. When Kerrie and i got there we saw the dog lying on the patio and we told owners partner that we cannot leave the dog like that and that it needed to be euthanaised same day. Partner phoned owner and owner agreed to have dog euthanaised. We brought the dog to the spca to be euthanaised as it was quite aggressive and we had no sedation. We also noticed an african grey in a dirty cage with a broken floor and we asked that the birds be moved into a shed where they had aviaries.
