General Report Comments: On 23 January Philani and myself went to the property.
We found 4 dogs outside no 22 Middlemiss Rd.
Both female dogs were on heat.
We managed to catch them and brought them in as strays.
The male dogs ran back to their homes.
On 26 January I returned to the property, but there was no one there.
I didn't see any other dogs
I left the warning and the request to contact.
Up to 02 February, the dogs were not claimed and they didn't contain me.
The complainant contacted us and was advised to contact us if there is another problem.
