General Report Comments: On 1 February I returned to the property. Dog is been groomed. He showed me the dip that was used on the dog ,there was no dogs food to show me .I gave him 3 bags of dogs food ,dewomers and f10 fly repellent .
The dog that was limping was ex rayed and kept in our clinic for cage rest because it had a broken toe.told the owner that he needed to come to spca and pay something and make payment arrangement for the balance
The clinic tried several time to contact him but no luck I also send him watsup messages told to come to spca to fetch his dog but didn't come or contact us.
I told him that if he doesn't fetch his dog ,we are going to put up his dog for adoption.
On 1 March the dog was signed over as abandoned by the clinic .
