General Report Comments: There were no kannels ,no water and one of them had fly strikes on the ears.
This is a business premises. The gaurd told me that the dogs belong to the owner of the property.
Warning was issued to treat dog for fly strikes, provide kannels and make water available at all the time.
I returned to the property on 15 February ,the dogs were provided with water and there is big kannel enough for all the dogs and treated for fly strikes.
I made the booking for the 4dogs to be sterilize.
On 27 February Siphso collected 3 dogs and sterilized and send home with food and vaccination certificates.
The dog with fly strikes was much better.
