General Report Comments: There was noone in the property.
Saw the chow dog limping and the back paw was covered with a plastic.
We called the owner and told her that the dog needed to go back to the vet for restitching . We gave her 24 hours warning .she was very rude told us that we can tell her what to do with her dog We are talking Dr Edwards side she wanted to charge extra money because she is got medical for her dog. On the 30 April around 12 o'clock We tried to call but didn't answer her phone then We went back to her property found dog there still limping the plastic was off the paw .
We called her again to find out if the dog been seen by the vet again .she was not cooperating she couldn't tell us if the dog been seen by the vet.told her to bring the dog to spca if she got money problem but she said she doesn't need our help.we told her that if she couldn't prove that the dog is been seen by the vet we were going to apply for the warrant to removed her dog.She dropped the phone .
We went to obtained the warrant and returned to the property with Metro police we phone her .then she arrive we showed her the warrant she still not cooperating she was swearing at us .we told that were coming to remove the the dog if she couldn't prove that the dog been seen by the vet then she throw medication (tablets)to my face then we noticed that the dog been seen by Menors vet. We called Monors vet and they confirmen it.
We will check the dog again in 2 weeks time
