General Report Comments: Upon my arrival I was met by the owner.
Her dog has 9 puppies of 4weeks old .
The mother appears to be very very underweight .She showed me the dogs food .she said she feeds her dog 3times day .I advised her to dewormed the dog a, buy puppy food and sterilize the mother.
She said she has find homes for the puppies.The dog is booked for end of September .I will be checking on this dog every week . On 15 August I received another complaint that the dog was out on the road looking for food the I returned to the property I gave the owner a warning , the was a little improvement on the dogs condition.i will check again next week .
