General Report Comments: Upon arrival i met Marc and he granted me access to enter the property.

I observed 3 dogs roaming freely on property and they appear to be in a good condition. The dogs are clinically alert and the living environment is hygienic. There is no feaces observed. The dogs have access to adequate shelter and they are not even aggressive. The dogs have access portable water at all times.

Marc further explained that the gate was malfunctioning and the dogs only got out on saturday. The gate is now fixed.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further actions that can be taken in terms of the act. Case closed until further notice.
