General Report Comments: We received a complaint from Debbie about a very thin dog that keeps getting out the yard looking for food. A photo of this dog was sent to us which i have attached. When Petros and i went to the premises there was another complainant waiting for us. His name was Warren and he is part of the community watch. He said that all the neighbours are concerned about the dogs as the owner died 2 weeks ago and they have not seen the partner at the house for a while. They were concerned that the dogs were getting thinner and not being fed. We did not have access to the property but one dog did come to the gate which was like a shaggy terrier x. I noticed the dog was eating something and Warren said it was food that the community gave. I left a notice to contact.
