General Report Comments: On Monday 16 September myself, inspector Kerri and inspector Petra accompanied by Jooma from Metro police went to the property. There was Noone and no animals found in the property. I tried several times to called her but she did not respond to my call and messages. I went to apply for another warrant for 38 Beldon Rd Malvern because we I noticed that all her invoices from her vet has that address. Mysself, Petra Kerri and and captain Moodley from SAPS Malvern accompanied us. We were met by her daughter and her husband they told us that they do know where Diane and her animals were They let us check their property, Diane animals were not there . Her daughter called her and she did not tell her where she was. She took my cell phone number and promised us that she will try to convince her to bring back the animals so that we can check them.
