General Report Comments: Petra, Kerri and myself returned to the property. The owner was back from overseas. Silvia had lied about 9 dogs left in fact there were 17 dogs and 6 cats. The cats were in acceptable condition but 4 of the dogs appeared to be underweight. We advised the owner to deworm all the dogs and feed the extra food, we will check them in 2 weeks time. The place was dirty and we advised the owner that she is in contravention of municipal bylaws so we told her to consider reducing the number of animal and sterilize the remaining dogs to reduce breeding. 2 page warning was issued. I went back the following day the place was cleaned.
