General Report Comments: Upon arrival i met Fortunate she granted me access to enter the property.

I shared a nature of complaint and the dog in question is named The Rock . The dog was observed underweight and the dog is alert. The dog has access to potable water and shelter which is a garage. Portable water is provided in 5 litres and the living environment is clean.

I question Fortunate why the dog is underweight. She told me she didn't know and I told her the dog appears to be underfed. She then confirmed the dog is fed once a day. I convinced her to sign the dog over to SPCA and she agreed.

The case can be closed. There is no animal left on the property.
