General Report Comments: Upon arrival i met George and i told him i just came to check if everything is in order. He granted me access

Rodents

There is no overcrowding observed and hiding areas are provided. There is portable water provided in each cage. Adequete food is provided and the cages are clean. There is no sick or injured rodent observed.

Fish

Fish tanks are clean and there is no dead fish that was found during the inspection. There are hiding spaces provided in every container and no overcrowding observed in these fish tanks.

Birds

Birds are grouped according to their origin of different species . No bird observed to be injured or sick. Water is provided and the cages are clean . Each and every cage. Each and every cage have perches not placed above each other. Two cockatiel were observed and they don't have a feather loss. They just weaned and feathers are still growing. They can eat by themselves in simple terms and they don't appear to be sick.
