CHECKLISTS

General Report Comments: I saw the warnings on the gate on my arrival. I went to hoot for almost 5 minutes at the neighbors house which is number 11.

A guy who told me he is mr Naidoo came out and i shared with him why I'm hooting at his gate. He told me he doesn't have a problem as he knows the dog is always on the road that is in question.

He then told me i can follow him he will open the gate. He opened the gate and we went to there the kennel is. But there was n dog on this property. Naidoo then told me that it possible that someone removed the dog.

We went outside the property and Mr Naidoo told me that everyone knows him in the street . I'm always welcome if i need his assistance.

I then drove out and when i was driving out. I was stopped by Ashwin Harichund and he was with the dog. Ashwin told me that he is the brother of the complaint and he could take it to watch the dog left alone. Ashwin told me that he decided to look after the dog as his own cos then owners of the dogs will be moving out end of this month and they are hardly home

083799488 Ashwin Harichund. According to Mr Ashwin he has given the dog nexguard as he noticed the dog had external parasites.

The dog in question was observed roaming freely and it appears to be in a good condition. Ashwin has 2 dogs on his property that are aggressive towards strangers. However i could see kennels while i was with him at the gate. Ashwin requested if i can assist with a Sterilisation as he will be looking after the dog and i agree but we have to wait for this month to end as he will ask the owners to give him the dog.

There is no contravention of the animals protection act 71 of 1962. The case can be closed. There is no contravention of the act.
