General Report Comments: Upon arrival I met Shaine. I shared a nature of complaint and he granted me access to enter the property.

The kid goat was observed roaming freely on property and it appears to be in a good condition. The goat has adequate food balanced nutrition and the living environment is clean.

There are two dogs on property that appears to be in a good condition. Having access to water and shelter. The dogs appears to be in a good condition. The living environment is clean and hygienic.

There is no contravention of the Animals Protection Act 71 of 1962. There is no further action that can be taken in terms of the act. I strongly believe the case can be closed.
