General Report Comments: Upon arrival i met Winston and he granted ame access to enter the property.

Coco is the female dog that is slightly underweight. The dog has a litter of puppies that she is feeding 8 puppies. The dog is clinically alart having access to portable water and shelter. The 2nd dog appears to be in an acceptable body condition. The living environment is clean and hygienic. I offered a Sterilisation and he told me that he doesn't wanna sterilize his dogs. He then showed me pellets he is feeding the dogs.

To follow up in 3 weeks regarding the weight of a female dog named Coco.
