General Report Comments: Upon arrival i hooted and shouted but no one came out.

I looked over the wall and observed one dog roaming freely on property having access to adequate shelter. The living environment is clean and hygienic. The dog observed appears to be in a good condition.

I then contacted the owner to find out regarding the 2nd dog that had puppies. The owner stated he relocated the dog to his 2nd house and refused to give out the address. He then dropped the call.

There is no concerns observed on the property. The case can be closed
