General Report Comments: Upon arrival i met Shirley she then told me that she doesn't have time. She is rehoming the dog to her cousin

She further stated that she normally comes back home after 18h00 and the dog is always alone. However since she recently bought a house in the area chances are the dog is lonely during the day. She will be visiting the dog monthly at her cousin place and the cousin has a Pikingise breed also.

I requested the address but she refused. She left me at the gate saying she is in a rush
