General Report Comments: Lindokuhle and I had to go back to the property because the owner never send the veterinary report the helper allowed us in the property and said she was told that the dog died on the weekend while she was off we asked her if we can look around to see if they are not hiding a dog because it didn 't look like a dog that would just die like that we didn't find it I phoned the owner he said he was going to take a dog on Monday to the vet because he's been away for work and dog died on Sunday
