VETERINARY PROBLEMS / HEALTH CO	No
CONFINEMENT OF ANIMALS	Free roaming - in property

General Report Comments: Upon arrival Linda who granted me access.

One dog on property was observed roaming freely. It appears to be in a good condition and clinically alert and the living environment is clean. The dog has access to shelter at all times and it has water bowls lying around the house. Linda took me to the house where I observed a cat that appears to be in a good condition.

Property check passed.
