General Report Comments: Upon arrival i met Velen and i told him i wanna do an inspection first to his property as he texted SPCA asking for dog food.

I entered the property and the dog in question is named Dre. Velen has only one dog on the property and the dog appears to be in a good condition. There are hazardous objects that causing obstruction next to the kennel and the kennel needs to be fixed. I raised these concerns and he told me he will comply. The dog has access to clean water and a broken kennel. Dre is freely roaming on property.

- I issued a notice to comply
1. Provide adequate kennel or fix the broken kennel within 7 days, so Dre can be protected from weather elements.
 2. Remove hazardous objects that are causing obstruction within 7 days.
