General Report Comments: Upon arrival i hooted and shouted no one came out. I went and looked at the gate and i observed only one dog on the property.

The dog appears to be in a good condition and clinically alert. The dog is roaming freely on property and has access to adequate shelter. I walked around the property and whistle, however the 2nd dog that had puppies is no longer on property.

I contacted the owner and he told me the 2nd dog is at his 2nd house. I tried to get the new address and he dropped the phone.

I strongly believe the case can be closed as there is APA contravention on the property . There is no further action that can be taken regarding the Animals Protection Act 71 of 1962.
