CHECKLISTS

General Report Comments: Upon arrival i met Johhani and i told him i haven't heard from his bosses.

He then granted me access to enter the property. We walked around the yard has peving and there is no sign of a cow/cattle

I then went outside to contact the complaint while i was in a vehicle.

His reply was he has heard the cow and he is not sure about the address. He thought the sound is coming from 15A

I strongly believe the case can be closed. There is no contravention of the Animals Protection Act 71 of 1962. There is no further action that can be taken.

Case closed until further notice.
