**CHECKLISTS**

General Report Comments: Upon follow-up inspection i met Nomfundo. She granted me access to enter the property.

She told me the dog is missing. After my visit she came back from Johannesburg for a visit and she let the dog roam freely. The dog escaped and never came back to the property. Nomfundo is still searching for her dog and during my inspection i didn't see Golden at all.

With these findings i strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken in terms of this act.

Case can be closed until further Notice.
