General Report Comments: Upon arrival i met Jenine. She contacted SPCA Regarding a sick dog that she wanna surrender .

The dog in question was observed as it a house dog. It seemed disoriented and struggling to walk. I further questioned Jenine how long Bella has been sick for and her answer was 2 weeks. I further questioned why SPCA wasn't contacted and her excuse was she didn't have money. I made it clear that the Animal was gonna be picked even if she didn't have money. She tried to make excuses however i told who it an animal cruelty to watch an animal suffering .

I issued a warning

In future any animal that is sick or injured under your custody must be taken to the veterinarian for assessment and possible treatment within any delays.

Failure to do so may lead into further actions taken against you for being in contravention of the Animals Protection Act 71 of 1962 and allowing your/animal under your custody to suffer unnecessary.
