To show it may worsen

Astro presented this afternoon
for a 2nd opinion consult

BCS - 2½

tucked Abd

Hip dysplasia ± Grade 4-5

inapp / lethargy

Unfortunately couldn't convince owner
to Euthanase, owner seems senile and
unable to understand seriousness of

her pet's health.

Tx with - Petcam
- Tramadol
- Painblock
- Doxycycline

owner chose to take Astro home.

Please assist as I tried my
best.

Regards Dr. Mahabeer
