General Report Comments: Upon arrival i hooted but no response.

It appears no one is home

I observed 3 dogs roaming freely at the property. They came to the gate and they appear to be in a good condition. These dogs dont show any sign of sickness. They are roaming freely at the property. The living environment is clean.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
