CHECKLISTS

General Report Comments: Mr Xaba made an arrangement that i must see him at 14H00

I went to the address as he requested. He had a lot to say stating the white people are against him but i didnt entertain him and i told him that the warning i issued was based on my observation not allegations.

He decided to sign the old dog to be put to sleep and he video called his family first. His son was present when i loaded the dog in the vehicle. Tears were all over him and his son crying.
