General Report Comments: Upon my arrival I saw 2 big fish tanks with fish inside. Both tanks were outside the property on the driveway. I hooted the property owner came to me. When I asked him about the fish he said he didn't want them, he said he was waiting for someone who was coming to fetch them. Because it was very hot although they were under the shade I advised the own to put it back into the property under the car pot. Both tanks were put back before my departure.
He said he was going to surrender them to spca if the new owner doesn't come.
I gave him my contact details.
Both tanks had enough food and water.
