**CHECKLISTS**

General Report Comments: Upon arrival i met Malvern and he granted me access after stating he gave away the rabbits cos the landlord is giving him difficult times.

We went to the house and i checked all rooms. Two rabbits are not found. He stated that the rabbits are at Hammasdale to his brother who has a farm. He doesn't know the street name as I questioned him trying to get more information regarding these rabbits. He is a foreign nation and he is from ZIMBABWE

I strongly believe the case can be closed there is no contravention of the animals protection act 71 of 1962 and there is no further actions that can be taken.
