CHECKLISTS

General Report Comments: The findings of the Veterinarian the dog had testicle cancer . The dog was sterilized on 11/11/2025

After that the dog began to get sick even more and it had fever. The clinic department worked very hard to try and stabilize the dog named Doggy until the Veterinarian came to a decision that the dog must be put to sleep since it is not improving.

The owner came to the SPCA so the dog can be put To sleep in his presence and the family
