He granted me access

He owns two dogs and the dog named Dobby is 14 years old. The dog is alart and due to age after sleeping so long he appears to b struggling to walk however once his blood becomes warm he runs normally at the property. I also spokr to the owner as the dog is getting old day by day that if he see the animal is struggling he is welcome to give us a call.

The dog doesnt appear to be skin and bone but it in a fair condition. The second dog is in a good condition and it has access to shelter. Both dogs are well looked after.

There is no contravention of the animals protection act 71 of 1962 and there is no further action rhat can be taken.
