General Report Comments: When Petra and I got on the property dog had an autimatomor he said he was going to take it in two days to him vet after he's got the money

We offered to take it for him to spca he didn't have a problem dog was operated on the ear and kept there for 10 days to check if he picks up weight and he did after 10 days

Dog was taken back home and the owner was advised to deworm regularly and increase the amount of food he's feeding

ACTIONS

NO ACTION REQUIRED
