General Report Comments: I went on 27/11/25 there were no dogs on that address I checked on 2 neighbors their dogs were fine there was no phone number for complaints

Val email both complaints to get their numbers so we can ask for right address no respond

On the 02/12/25 I went back to check on few factories around the area I found it at address 162 to168 wthere were few factories inside there mother and 3 puppies were in 1of them mother was chain inside factories on the short roap covered with tick and fleas very thin in a dirty area

I left a notice to comply to increase the amount of food, dewormer, treatment for fleas and ticks spray the area with dip and remove a dog from the roap put the in the fence off area that won't be less than 5m² I'll go back after 3 days to check

ACTIONS

NOTICE TO COMPLY ISSUED 828
