General Report Comments: Upon arrival i met Charne who wasnt comfortable letting me in her property.

The dog in question is named Diesel. The dog was observed in a good condition and good health.
Charne went home to attend a funeral of a friend who passed away.

Her child was responsible for feeding the dog but her son slept at her grandmothers house.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962
