CHECKLISTS

General Report Comments: I went to premises and owner met with me. He said he does not have a pellet gun and allowed me to search. He said he does not know of any shooting on the premises. I told him that i would issue a warning anyway in case his staff were harming monkeys and he said he was ok with that . He addressed his staff and they said they did not hear or see anything and the original witness is backing off as well.

ACTIONS

Warning Issued 6432
