CHECKLISTS

General Report Comments: Spoke to Olwethu as i wanted to find out why the dog is kept in an enclosure.

He then explained that the gate is faulty and sometimes it opens itself. He went then decided to build an enclosure and the dog is in a good condition. The dog is left to roam freely at night.

There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken. I strongly believe the case can be closed.
