General Report Comments: Upon arrival i met Ndimiso

Ndumiso granted me access. I observed the dog that had fly strike and it has healed and completely dry on the ears.

All the dogs on the property are in a good condition and clinically alert. The dogs have access to shelter and the living environment is clean. No feaces were observed and the dogs are well looked after. All the dogs are roaming freely. Pitbull has gained a lot of weight and Ndumiso doesn't wanna sterilize any dog now.

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken
