General Report Comments: Upon arrival i hooted and Marvin came out.

I shared a nature of complaint and he wanted to know the complaint. I told him the complaint came in as anonymous complaint.

He granted me access to enter the property however he told me not to take pictures. I observed two dogs that appears to be in a good condition and clinically alert. The dogs has access to shelter and water. There are four dogs in total on this property and a dog named Hunter was observed with a mattered coat. Hunter is clinically alert and a dog named Storm is an old that is reported. Storm was observed roaming freely and the lump is on his chest between front legs. There is a form of discomfort when Storm walks around. All these dogs have access to shelter.

I issued a notice to comply

1. Seek veterinarian treatment for Storm as Storm was observed with a lump on the chest within 7 days
2. Hunter was observed to have mattered coat. Hunter must be taken to the grooming palour within 7 Days.
