General Report Comments: Upon arrival i met Ruvash

He granted me access to enter the property. The dogs are observed in a good condition and clinically alert. The dogs have access to shelter and water. The living environment is clean and hygienic.

Ruvash showed where the dogs escape and he has added wire mash to that section of the gate. However dogs manages to escape.

The dogs were in the property during the inspection. He further stated he is waiting for month end so he can fix the femce.

There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
