General Report Comments: Upon my arrival I was met by the owner,there were 2dogs mom and one puppy.there property was full fenced and gated.
All the animals were inside the property at that time of inspection.
The owner admitted that the dogs use to get out of the property the gate was broken and there was man fixing it .
She told me that she had found homes for other puppies,there was only one left and she is keeping it .
She was interested in sterelisation, so I will do it when we get an outreach .
