General Report Comments: On the 9 April me and Petra returned to the property , my warning was taken off the gate and there was noone there ,we saw 2 dogs puppy and the Boerboel,the minpin was not there .all the dogs were inside the property,food and water provided.the puppy was confined on the veranda. I called the complainant it turns out that she is the landlord,she told me that the dogs owner moved out and left dogs behind and they hadn't paid rent for 1year . Told her that we will need a warrant to remove the dogs or she can sign them over to us . She said I must wait till Monday if they don't collect the dogs she will sign them over to us, When I called her on 13 April she told me that the owner came and took the dogs away.
