I went to the back where i observed a dog in question clinically alert and slightly underweight due to feeding puppies. The puppies are in a good condition. The dog has access to shelter and water. The living environment is clean and hygienic.

I issued a warning for Thobile, Caregiver or occupant
-To keep the Animal/s inside your premises at all times
-It has been brought to attention that you were seen beating the dog. If we should receive any evidence supporting these allegations further actions may be taken.
