General Report Comments: Upon arrival i met Pieter and shared i came to make a follow up inspection.

He called his daughter to show me Nexguard box that was used. I then observed the dog that had external parasites. The parasites are no where to be seen and the dog has a shiny coat. All the dogs on the property appears to be in a good condition. The dogs has access to portable water and shelter. All the puppies are now vaccinated and the daughter showed me proof.

I went to check the 2nd dog that has puppies and it slightly underweight. The dog is clinically alert and has access to shelter and water. All the puppies are in good health.

To follow up on a weight.

ACTIONS

OTHER Follow up on weight.
