General Report Comments: Upon my arrival I met the owner.He owns 2 unsterelised male pitbulls.
Both dogs were inside the property, property is fully fenced and gated.
Owner admitted that sometimes they dig under the fence and run to the road ,his garden worker was there fixing the holes under the fence.
Both dogs were in fair condition but slightly underweight but the owner said he dewormed the dogs 2 weeks ago ,he feeds his dogs twice per day ,there was 3/4 bag of dogs food .,(juava budget)
owner was advised about sterilisation.I will go back in two weeks time to check .
