General Report Comments: Upon arrival i met Lionel and his wife. They granted me access to enter the property .

On my observation the dog we received a complaint about is roaming freely on the front yard. The dog is clinically alert and the loving environment is clean. There are no feaces observed and the dog is recovering from a skin problem. The dog was given nexguard earlier this month

I then went to the backyard where i observed 2 dogs roaming freely. The dogs appears to be in a good condition and clinically alert. Portable water is provided for the dogs

To follow up in a months time.
