General Report Comments: Upon arrival I met Jeremy and i shared a nature of complaint.

I requested to see all the dogs on the property and I was looking for Dutch road.

He showed me 2 dogs at the back yard. The dogs appears to be in a good condition and clinically alert. The dogs are aggressive towards strangers and they are on a chain that is about 6 meters long.

We then went to the house where there was an injured pitbull with a litter of puppies . I questioned what caused the incident and Jeremy explained that two female dogs fought and he does not own any dog. I requested Jeremy to give me the owners number. I spoke with Jeremy and he refused to surrender any dog and i offered a sterilization but he wasn't interested. He then requested I write an address of the private vet cos his dog is not coming to SPCA.

The living environment is clean and hygienic. Portable water is provided.

I issued a warning

Sewk veterinarian treatment for Ace within 24 hours as she was observed injured or surrender the dog to SPCA.
