General Report Comments: Upon arrival i met Jeremy and he granted me access.

The dog that was injured appears to be in a good condition and clinically alert. They are not interested to surrender any dogs and stating the dogs are their security.

Puppies are observed in a good condition. Two dogs at the backyard are also observed in good health and they have access to adequate kennels. The living environment is clean and hygienic.

There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken. I strongly believe the case can be closed.
