General Report Comments: Upon arrival i met Lungi and she granted me access to enter the property.

I entered the property and the dogs are roaming freely on property. The dogs appears to be in good health and the puppies are not lactating. The living environment is clean and hygienic. The mother has gained a lot of weight compared to previous visits and the dog doesn't go out according to the maid. Portable water is provided for the dog

I strongly believe the case can be closed. There is no contravention of the animals protection act 71 of 1962 and there is no further action that can be taken.
